

# The Skiwiport

**Skiwi Ski Club - Established 1959**

## SKIWI KING AND QUEEN NOMINATIONS

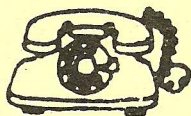

Do you have what it takes to be a Skiwi King or Queen? We think you do. Being selected for this position is really quite an honor!

In the Spring of every year, a panel of judges reviews the qualifications of Skiwi nominees to determine a new King and Queen. To qualify, nominees must look and act presentable to represent our ski club. They must be informative on the sport of skiing and also know a bit about the Skiwi Ski Club history. They must also be willing to support the club and its functions and assume some club responsibilities.

Nominations will be accepted at the general membership meetings during March: March 7 and March 21. The King and Queen judging will be on Thursday, April 4, prior to that evening's meeting. So if you know of someone who would qualify, either nominate him/her at a meeting or contact Marty Johnson or Cheryl Filarski. If you feel qualified, have someone nominate you!

Don't be shy! It is very rewarding and self-satisfying to represent the club and be able to meet new people and make many friends. This just might bring out the best in you!!!

## March 1985

### GO GREEEEENNNNNN!!

Come to the March 21st meeting and celebrate St. Patrick's Day. Show your love of the Irish by wearing GREEN that night.

And to get you ready for Spring, to see how limber you are, we will be having a Limbo Contest. So start practicing now--to see "how low can you go?"

### SOCIAL WANTS YOU!!

Soon a new Skiwi Board of Directors will be taking over and one of the positions to be filled is that of Social. This is a position of high visibility and importance, as the Social Chairperson(s) is responsible for club activities the year round that are non-skiing. If you're interested in running Social next year or want a little more information on what's involved, please see either one of us at a meeting or give us a call.

MARTY JOHNSON

CHERYL FILARSKI

All Haunted House credits and any comps must be used by the second meeting in April. They can be used for any Skiwi activity or to re-new your membership.
