Noises Off - Stagecrafters @ The Baldwin Theater

Friday, November 8, at 8pm. - \$20.00/ ticket

A madcap comedy of slamming doors, falling trousers and on and offstage intrigue, Noises Off is a hilarious play-within-a-play that will leave audiences in stitches. A touring theatre group is staging a flop called “Nothing’s On.” The actors stumble through scenes, flubbed lines and their own self-inflicted dramas as each performance becomes a high stakes gamble bordering on disaster. Treat yourself to a lighthearted night of fun, featuring the foibles of live theatre
